

Captain Yevgeniy Mikhaylovich Ivanov, the former Soviet Assistant Naval Attache in London and star performer in the Profumo affair, may have been a casualty of the Penkovskiy case rather than having been withdrawn from his post in London at the end of last year because of involvement with Miss Christine Keeler. Ivanov and Penkovskiy were friends and were both in the GRU (Soviet Military Intelligence). Ivanov's wife, Mariya, is the younger daughter of Aleksandr Fedorovich Gorkin, President of the Supreme Court in the Soviet Union and former secretary of the Presidium of the Supreme Soviet.
